

Sponsored Reading Challenge 2021

15th October 2021

Dear Parents/Carers,

Friends of Shelley School are delighted to be running the SPONSORED READING CHALLENGE again this year. All children are invited to take part in this event by completing as many of the reading challenges as possible over the next two weeks.

The Sponsored Read will run from **Friday 22nd – Friday 5th November** and raise money for new reading resources in school. All you need to do is encourage your child to read for a small amount of time each day, or for younger children, to practice sounding out simple phonics or be read to.

What, where or to whom they read is up to them, and all part of the fun! They might read in the bath, in a den with a torch, try a newspaper or read to a relative over the phone. With **50 house points** awarded to the house with the most participants, and **prizes** to be won in each year group, we hope as many children will get their head stuck into a book during this event as possible!

Children are asked to gain sponsorship per challenge they complete. When they have completed a challenge they could colour in the corresponding book on the accompanying page. Sponsors are also welcome to make a one off donation if they prefer.

Please remember to only approach family members or close friends for sponsorship.

If you are able to support our sponsored read, please find attached a sponsorship form for your child and a list of the reading challenges. Remember that if you are a UK tax payer, your sponsorship is eligible for **Gift Aid** and we can claim an extra 25% at no additional cost to you!

Please return all sponsorship money, forms and completed challenges to your child's teacher or the school office by **Friday 12th November**. Any cheques should be made payable to Friends of Shelley School.
